NOTICE TO CLIENTS WHO ARRANGED CHINA LOCAL CHARGES TO BE COLLECTED IN AUSTRALIA

(Latest Notification of China Value Added Tax)

Dear Valued Customers,

Chinese government has announced the implementation of Cai Shui [2013] Notice No.37(Circular 37) which indicates a value added tax of 6% is applicable for all charges (including freight and China local charges) pay at PRC (People's republic of China) from 1 August 2013.

We would like to remind, for all charges which are supposed to be paid at PRC including the **China local charges** that are collected in Australia, a value added tax of 6% plus additional tax will be applied.

Kindly review your current arrangement with your suppliers regarding the above if necessary.

We will continue to monitor and inform customers of any latest development regarding the policy.
